25X1

[REDACTED]

25X1

[REDACTED]  
ing. He tabled an OCI report on the Vulnerability of non-Communist groups in South Vietnam to Viet Cong Exploitation.

25X1

Kent reported on a meeting with State reps yesterday afternoon concerning the Estimate on Southwest Africa. This Estimate will be on the USIB Agenda next week. He initiated a discussion of the possibilities of the Soviets having a seaport in the UAR. [REDACTED]

25X1

Wheelon noted the latest correspondence to the USIB Chairman from the Air Force concerning [REDACTED]

25X1

The DCI noted that Dr. Jordan of NASA would be coming to the Agency on 8 June. He noted that he had invited Chamberlain to attend this session and suggested that perhaps ORR would like to send a representative.

The Executive Director noted a memo from the President concerning financial management in Government. He also noted that there was a long weekend coming up and he suggested that on-call rosters be checked for accuracy.

The DDCI noted that the briefing on Communications in Crisis Management was scheduled for 1:30 p.m. on 8 June. (See Action Item 2)
